Zinnias - Peppermint Stick, annual, full sun, 30" tall, variegated flower, 4 small plants per 3.5" cup, price per cup.

Donor: Chris Hoke

Available: 8 Price: \$3.00

111 Black Oil Sunflowers

These Black Oil Sunflower seedlings were grown from organic seeds that were originally purchased to grow micro-greens. Sold by the Pack, 4 plants per pack

The sunflower seed is the fruit of the sunflower (*Helianthus annuus*). There are three types of commonly used sunflower seeds: linoleic (most common), high oleic, and sunflower oil seeds. Each variety has its own unique levels of monounsaturated, saturated, and polyunsaturated fats. These seeds were organic and delicious.

Donor: Jane Tumas-Serna

Available 4 Price: \$2.00/pack

Herbs and Vegetables:

200 Lemon Basil

Mrs. Burns Lemon Basil - annual / 3.5" cup / Height 20" / full sun / culinary - great in iced tea

Donor: Chris Hoke

One colossal green pepper with a few buds, in a 4-inch pot. Grows in full sun.

Donor: Dawn Hewitt

Available: 1 Price: \$1.00

202 Sweet Basil

One sweet basil in a 3-inch pot. Grows in full sun. A small bit of insect damage to the leaves, but it will produce hundreds of other leaves!

Donor: Dawn Hewitt

Available: 1 Price: \$1.00

Perennials / Bulbs / Tubers

300 Tuberose (polianthus)

Tuberose (polianthus) by the clump of tubers-bulbs in 6"pot / Full sun./ Sends up 3 to 4' stalk with very fragrant white blooms. Need to dig up and store over winter. Clumps have many bulbs. Some very small. So I plant whole clump only dividing out the bigger bulbs and planting separate.

Donor: Chris Hoke

Available: 10 Price: \$4.00

301 Mountain Mint (Muticum)

Mountain Mint (muticum) - perennial, sun, slow growing mint, about 3-4' tall. Great for pollinators. Leaves turn silvery mid summer. Also looks good in an arrangement. clumps in 6-8" pot or bag.

Donor: Chris Hoke

Available: 5 Price: \$5.00

302 Monarda (Bee Balm)

Monarda (bee balm) "Jacob Cline." This cultivar of our native Monarda didyma has red tubular blossoms and grows 3 to 4 feet high. It attracts bees, butterflies, hummingbirds. Leaves are fragrant (orange/spice).

Growing Requirements: full sun, rich, moist, well-drained soil. native to North America, Size of Container: 4" pot

Donor: Martha McGovern

Available: 7 Price: \$3.00

303 Monarda (Bee Balm)

Monarda (bee balm) "Jacob Cline." This cultivar of our native Monarda didyma has red tubular blossoms and grows 3 to 4 feet high. It attracts bees, butterflies, hummingbirds. Leaves are fragrant (orange/spice).

Growing Requirements: full sun, rich, moist, well-drained soil. 1 Gallon container

Donor: Virginia Henthorn

Available: 4 Price: \$5.00

Dawn Hewitt also donated Monarda plants.

304 Siberian Iris

Dark blue Siberian Iris. Spring bloomer, less prone to borers than bearded iris. Prefers full sun to part shade and rich, moist soil. Water well for the first year. Easy to divide, large potted clumps.

Donor: Virginia Henthorn

Available: 2 Price: \$5.00

305 Ostrich Fern ([Matteuccia struthiopteris](#))

Ostrich Fern ([Matteuccia struthiopteris](#)) Large, graceful native fern. Spreads quickly in moist shade.

Donor: Virginia Henthorn

Available: 7 Price: \$5.00

306 Catmint (Nepeta)

Catmint (Nepeta) "Walker's Low." Drought-tolerant perennial for full sun. Makes billowy clumps 18" high. Good pollinator plant. 1.5 gallon pot

Donor: Virginia Henthorn

Available: 1 Price: \$5.00

307 Variegated Solomon's Seal

Variegated Solomon's Seal from Nancy Novak's garden (*Polygonatum falcatum* 'Variegatum'). Rich green leaves narrowly edged in white on arching, unbranched stems. White bell-shaped flowers drip from the stems in spring. Needs shade and consistent moisture. In large clumps

Donor: Virginia Henthorn

Available: 2 Price: \$5.00

308 Standard Hosta

Standard hosta w/ lavender blooms. The plant that started the hosta craze back in the 1800's. Fool-proof shade perennial. Good for beginning gardeners. Attracts hummingbirds. 1-gallon pot.

Donor: Virginia Henthorn

Available: 1 Price: \$3.00

309 Sneezewort (Achillea ptarmica "The Pearl")

Sneezewort (Achillea ptarmica "The Pearl"). Unfortunate name for a lovely filler plant. Small white double blooms dry well. Does best in soil that is not too rich; not good for clay. Drought-tolerant, long bloom season, not attractive to deer. 1.5-gallon pot

Donor: Virginia Henthorn
Available: 1 Price: \$5.00

310 Sedum kamtschaticum

Sedum kamtschaticum. Yellow-flowering ground cover for sunny spots. Spreads but is not aggressive. Good in containers. 1.5-gallon container

Donor: Virginia Henthorn
Available: 1 Price: \$3.00

311 Sedum "Autumn Joy."

Sedum "Autumn Joy." Sun-loving perennial, drought-tolerant, pollinator magnet, easy to propagate but not aggressive. What's not to like? Pinkish blooms in late summer can be left to dry on the plant for winter interest. 1.5-gallon container

Donor: Virginia Henthorn
Available 1 Price: \$5.00

312 Native Solomon's seal (Polygonatum biflorum)

Native Solomon's seal (Polygonatum biflorum). Field dug with one stock, but healthy chunk of root and root shoots. Prefers shade. 4-inch pot

Donor: Dawn Hewitt
Available: 1 Price: \$3.00

313 Iris pallida.

Iris pallida. The original bearded iris from the Dalmatian coast. Highly scented (rather like grape Kool-Aid) lavender blooms in late spring. Full sun, not too much water. Spreads quickly, so give it room or divide it every couple of years. 3 large rhizomes

Donor: Rebecca Phillips
Available: 3 Price: \$2.00

314 Heirloom bearded iris

Heirloom bearded iris. Deep burgundy/maroon flowers on sturdy stems. This variety Appears in paintings as early as the 18th century. Full sun, not too much water. 2 rhizomes

Donor: Rebecca Phillips

Available: 2 Price: \$2.00

315 Daylilies - Assorted

Daylily grab bag. These were potted last fall but lost their labels. Some are red, some are yellow “Stella d'Oro.” All are easy-to-grow in a sunny area with average water. The Stellas will rebloom; the red are once-bloomers. The colors play well together. 1 gallon pots.

Donor: Nancy Dew (professor emerita of biology at WVUP)

Available: 17 Price: \$3

316 Variegated Hosta

Variegated Hosta - Nearly as foolproof as the straight species. In 1.5 gallon container

Donor: Virginia Henthorn

Available: 1 Price: \$5.00

317 Anemone hupehensis (Japanese Anemone)

From The Castle garden. Species of flowering herbaceous perennials in the family Ranunculaceae. (buttercup family). Perennial, sun and semi-shade, dusty rose flowers. Well-drained rich soil, nice cut flowers. Blooms in the fall, late August for 3 or 4 weeks into September. Native of Japan and Eastern China.

Donor: Jane Tumas-Serna

Available 12 Price: \$3.00

House Plants:

400 Jade Plant

Jade plants - small plant in 4" pots. Indoor plant

Donor: Chris Hoke

Available: 6 Price: \$3.00

401 Succulents in handmade bowls

Succulents in handmade bowls . A variety of species and adornments. Bright light, not too much water. The bowls are mostly from past Empty Bowls fundraisers.

Donor: Stassa Phillips

Available: 21 Price: \$3.00

402 Sansevieria (Snake Plant/mother-in-law's tongue)

Sansevieria (snake plant, mother-in-law's tongue). 2-quart pots.

Tolerates dim conditions and sporadic watering.

The Plant That Cannot be Killed. The parent clump sat in a corner of Pat Gray's living room for more than fifty years. A nephew with no interest in plants babysat it for three months after she died. That summer, it bloomed for the first time in thirty years. I have seen it blooming in full shade with no water in a nature preserve in Yucatan. I have also seen it in full-sun desert gardens. You will need to make provision for this plant in your will-preferably, with a great-grandchild who might conceivably outlive it.

Donor: Rebecca Phillips

Available: 4 Price: \$3.00

403 Arrowhead Plant (Syngonium Podophyllum)

Arrowhead Plant (Syngonium Podophyllum) aka Nephthytis - Indoor plant, 6" pot, does not flower, light green arrow shaped leaves, takes indirect sunlight, trim runners to 6" for denser growth, let runners grow for hanging plant, deeply water and let top 2" soil dry to 50% before watering again, considered poisonous

Donor: Chris Hoke

Available 1 Price: \$3.00

404 Assorted House Plants

Assorted house plants from the collection of Margaret Fredericks.

Filtered light, water when soil surface is dry to the touch.

Donor: Margaret Fredericks

Available: 9 Price: \$3.00

405 Hens and chicks.

Hens and chicks. Easy-to-grow succulent. Three 9 inch pots and four 4.5 inch pots

Donor: Debra Miller

Available 7 Price \$3.00

Trees and Shrubs

500 Beauty Berry Bush

Beauty berry - perennial shrub - sun, part shade, 2 to 3' tall. Tiny flowers in summer attract pollinators – sounds like the plant is ready to take off. In fall gets tiny grape-like cluster of plum colored berries along stem. Great for dried flower arrangements. Will slowly spread via roots. Clump in 6-8" pot or bag.

Donor: Chris Hoke

Available: 5 Price: \$5.00

501 Buckeye Aesculus glabra

Buckeye Aesculus glabra, field dug about a month ago with a healthy root, happy in its 6-inch pot, native to Ohio. Does just fine in full sun, but naturally grows in the understory of other trees. 6-inch pot

Donor: Dawn Hewitt

Available: 1 Price: \$3.00

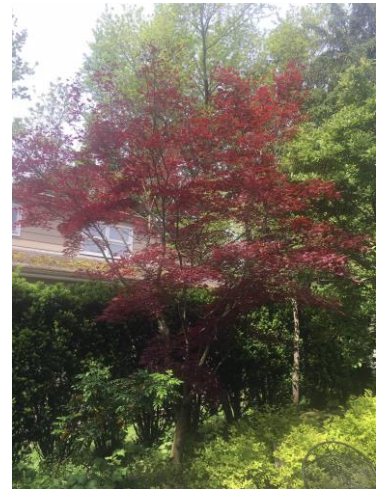

502 Japanese Maple Tree Seedlings

Japanese maple, potted seedling. Hardy ornamental tree, deep red palmate leaves. 4-inch pots.

Donor: Stassa Phillips

Available: 12 Price: \$2.00

503 Sweetbay magnolia

Sweetbay magnolia. Native tree. Sweetly-scented flowers in spring.

Donor: Debra Miller

Available: 1 Price: \$5.00
