

Plant Sale Committee Report

First off, a big thank-you to everyone who donated plants, garden items, or time. (And as always, major thanks to Stassa Phillips for feeding the volunteers!) We are pleased to report that the 2022 plant sale was our most successful ever, raising \$2040.55 for the buildings and grounds fund. (Evidently someone tossed some change into the box.) Moving the sale to May seems to have been a good idea, and our Facebook posts seem to have brought in the crowds. More than half the plant tables were empty by noon, only two hours after the sale opened.

The 2023 sale will be held on Saturday, May 27. More details will be forthcoming. If you are thinning your planting beds, please consider saving some plants for us! Native perennials and unusual houseplants seem to be the most in-demand items.

Volunteers are needed to price plants, sell plants, and accept payment from what we hope will be happy hordes of plant shoppers.

Rebecca Phillips on behalf of the plant sale committee (AKA The Rosebuds)
