Submitted by Diana Bonnell

The Board of Trust Governors (BOTG) met two times for the 2023-24 fiscal year. Members include John Kidd (chair), Lloyd Elliot, Kim McMichael, Jim Grecni and Diana Bonnell (Secretary). Accomplishments include working with the Marietta Community Foundation to update trust documents and approving a request from the Building and Grounds (B&G) Committee in the amount NTE \$16,000 for the Wayside pulpit replacement, electrical upgrade, commemorative plaque, and several necessary building and ground repairs taken from the Ting Trust. All three Trusts ended the year with gains due to a strong stock market.
