

WANT TO GO SOLAR?

Join the Mid-Ohio Valley Solar Co-op!

Come to an Information Session:
Tuesday, March 21, 5:30pm
WVU Parkersburg College Theatre
300 Campus Drive
Parkersburg, WV 26104

Participants can see up to a 20% discount on their purchase.

The co-op helps ensure your installation goes smoothly.

System sizes vary. You can size to fit your budget.

Neighbors in the Mid-Ohio Valley have formed a solar co-op to save money and make going solar easier, while building a network of solar supporters.

Local non-profits WV SUN and OH SUN have helped dozens of West Virginia and Ohio homeowners go solar in the past two years.
